## Overview

Welcome to the Energy Efficiency Association's Energy Efficiency Policy conference and exhibition, where industry experts discuss cutting-edge developments and pressing issues about energy efficiency.

The conference will address what the industry needs to do to ensure improved uptake of energy efficiency measures and what we can do to overcome barriers that often threaten the delivery of such schemes. This vital event also offers unrivalled networking opportunities to discuss energy efficiency with those at the heart of our industry.

## Attendees

On the day, we will see over 150 leading installers, managing agents, funding providers, manufacturers, certification bodies, local authorities, housing associations, policy makers, and industry luminaries come together. Join this diverse gathering of key stakeholders as they share insights, forge partnerships, and shape the future of energy efficiency delivery in the UK.

**Tickets are available for £90 + VAT for EEA members and £120 +VAT for non-members. Prices include buffet lunch.**

[www.dynamicearth.org.uk](http://www.dynamicearth.org.uk)

Dynamic Earth is conveniently located right next to Edinburgh Waverley Station and major bus routes, making it easily accessible by public transport. If you're driving, there's a 24-hour underground car park directly beneath the building—spaces are limited and operate on a first-come, first-served basis.

All onsite parking is plentiful and various charges apply.

### NOTE FOR YOUR DIARY

The night before this event there will be an informal free networking event in the hotel bar from around 7pm if any members wish to join us.

If you are unable to attend this conference, the conference and exhibitions run all year round so keep a look out for dates.

This event is organised by the Energy Efficiency Association CIC, Emerald House, Cabin Lane, Oswestry, Shropshire, SY11 2DZ
