SKILLS AND TRAINING Conference & Exhibition 2025

Join the EEA in Birmingham for a one-day event uniting the energy efficiency sector to tackle skills gaps and build a workforce ready for the future.

2nd October 2025

**Holiday Inn Birmingham Airport
Birmingham**

Overview

Welcome to the Energy Efficiency Association’s Energy Efficiency Policy conference and exhibition. This essential one-day event brings together industry leaders, training providers, and certification bodies to focus on the urgent skills and workforce challenges facing the energy efficiency sector.

The conference will explore how the industry can build the capacity and expertise needed to meet growing demand for qualified professionals. Sessions will focus on developing training pathways, improving access to certification, and removing barriers to workforce growth.

Alongside expert-led discussions, the event offers excellent networking opportunities—connecting you with key stakeholders shaping the future of energy efficiency skills in the UK.

Attendees

On the day, we will see over 150 leading colleges, training providers, installers, funding providers, manufacturers, certification bodies, local authorities, housing associations, policy makers, and industry luminaries come together. Join this diverse gathering of key stakeholders to share insights, build partnerships, and shape the future of workforce development and skills delivery for the UK’s energy efficiency sector.

Tickets are available for £80 + VAT for EEA members and £110 +VAT for non-members. Prices include buffet lunch.
